

## The Heaths have arrived!

The Heath's furniture and belongings arrived at the Rectory on Monday 15th February, with Rev Kate and the children Emily and William arriving by plane, and taking up residence the following day.

Husband James drove their car, (with the pet cats) from Melbourne to Lambton on Wednesday 17th February. We thank God for their safe arrival. The family is no longer in self isolation.

Thank you to those who provided groceries, fruit, vegetables, and other essentials for the family as they settled into the Rectory.
